DO GOOD WORKS

AM I DOING WHAT I
WAS MADE TO DO?

STEPHEN BLANDINO

DO GOOD WORKS SEMINAR

With Stephen Blandino

The "Do Good Works Seminar" is designed to guide participants through an interactive discovery process as they turn over the ten pieces of the Good Works Puzzle. Participants will discover their strengths, passions, values, and more, and then craft these discoveries into a personal and powerful Good Works Statement.

This one-day seminar led by Stephen Blandino will help participants discover how they were created **ON** purpose, cultivated **FOR** purpose, crafted **WITH** purpose, and called **TO** purpose, and they will be inspired to leverage their "good works" to make the world around them flourish.

"For we are God's handiwork, created in Christ Jesus to **DO GOOD WORKS**, which God prepared in advance for us to do."

Ephesians 2:10

Seminar Sessions

The *Do Good Works Seminar* includes five practical and inspiring sessions designed to help participants answer the questions, "Am I doing what I was made to do?"

- **Session #1: You Were Created ON Purpose** - If you've ever doubted whether or not God has a purpose for your life, this session is designed to answer your questions once and for all. You'll be encouraged and inspired as you discover the extraordinary intentionality God took in creating and designing you on purpose.
- **Session #2: You Were Cultivated FOR Purpose** - Most people try to forget their past when they think about their future. In this session, you'll discover the first three pieces of the Good Works Puzzle—Pain, Experience, and Destiny Markers—and how to mine them for seeds of purpose.
- **Session #3: You were Crafted WITH Purpose** - God crafted you with your good works in mind. He deposited within you the raw ingredients necessary to see your good works come to fruition. In this session, you will discover pieces four through eight of the Good Works Puzzle—Personality, Spiritual Gifts, Abilities/Skills, Knowledge, and Passions.

- **Session #4: You Were Called TO Purpose** – God's call is much more expansive than what we consider it to be. In this session, you'll discover the final two pieces of the Good Works Puzzle–Calling and Values–and what they mean for your good works.
- **Session #5: Turning Ten Facts Into One Focus** – The final session of the Do Good Works Seminar will help you merge the ten pieces of your Good Works Puzzle into a compelling Good Works Statement. You'll be challenged to look for the common threads woven among your puzzle pieces as you move forward with God's unique purpose for your life.
